DAM ACROSS RIVER NEARS COMPLETION

Work was commenced Wednesday on the construction of a dam across Russian river to afford a swimming hole for those who desire an evening dip after the cares of the day.

The dam will be about one-half a mile above the Vichy Springs bridge. The hole will be over a hundred yards long and about eight feet deep. Willows screen the particular stretch of water where the dam will be built from the road and dressing rooms will be contsructed among the willows.

The funds necessary for the construction of the dam were raised by popular subscription and most of the labor is being donated. R. L. Pearson, general manager of the Maddox trucking company, has general charge of the work.

It is expected the work on the dam will be completed this week.

Carload of Studebakers Expected This Week

W. A. Ford, Jr., local agent for the Studebaker cars, announced this week that he has received a communciation from the factory that there is a carload of special sixes en route here, and that the car will probably be here this week. He has already placed several orders in advance and states that he will have no difficulty in disposing of the cars when they arrive here. The carload of light sixes, which was expected the first of next month will not be here for some time according to the communication which he received from the factory.

"A CUMBERLAND ROMANCE" HERE NEXT WEDNESDAY

"A Cumberland Romance," the picture which was taken here last April in Reeves' Canyon, and on the Walker valley ranch, in which Mary Miles Minter, popular screen favorite, of the Famous Players Corporation is the star, has been secured by Manager Davis of the Victory theatre, and will be screened here on next Wednesday and Thursday evenings.

The play should be of great interest to local theatre goers as many persons here no doubt will recognize many of the spots where the picture was filmed.

This will be the first showing of the film, which has not yet been released by the makers.

CHILD BURNED TO DEATH IN FIRE AT HEARST MONDAY

The four-months-old baby of Mr. and Mrs. Christy, who reside on the old Berry place near Hearst, was burned to death in a fire which destroyed the residence there last Monday.

The mother and an 11-year-old girl had left the house for several minutes and were at some distance when they noticed the roof on fire. Mrs. Christy ran back to the house as fast as she could to rescue the infant, whom she had left asleep, but the roof had fallen in on the child before she reached the house and she was unable to do anything.

ROMANCE OF YOUNG BRIDE IS BLASTED BY MOTHER

The romance of Helen Suchowaski Giannini, Santa Rosa girl, who was married on April 19, has been short-lived. Her mother, Mrs. Annie Suchowaski, of Ukiah has cited her to appear before Judge White in Mendocino county superior court in a suit to annul her marriage.

Helen's mother claims that the girl is only thirteen years old and that she swore falsely when she gave her age as eighteen at the county clerk's office.

The suit was brought first in the superior court of Contra Costa county and was recently transferred to Mendocino county. Giannini is well known in Ukiah.—Santa Rosa Republican.

TAX COMMITTEE MAKES FINAL RECOMMENDATIONS

Total of County Assessment Boosted to More Than Double and Rate of $2.60 Will Produce Sufficient Funds For All Purposes

With a boost to more than double the present assessment on real estate alone, and with the readjustment on personal property values yet to be carried out, the committee selected to make recommendations as to an equalization of the assessed values throughout the county estimates that a tax rate of $2.60 on each $100 of valuation this fall will raise all the money the county will need to carry it through the fiscal year 1920-21.

The committee completed its labors last Saturday night and has turned over its tabulations and recommendations to Assessor Van Dyke who has given assurance that the rolls will be adjusted in accordance with the recommendations.

A very careful appraisement of property all over the county was made, and it is believed that the new assessed values, which the committee recommended should be two-thirds of its appraisements, have been placed upon as fair a basis as it is possible to achieve. Notices as to the raise or decrease made in each instance will be mailed to the property owners by the assessor in the next few days, and all who have any objections to their assesments will still have the privilege allowed them under the law of appealing to the supervisors when that body meets as a board of equalization.

The present assessment by districts and the increase recommended by the committee is as follows:

Sup. Dis.	Present Val.	Com. Val.	Increase
1	2,471,300	5,651,124	3,179,844
2	3,439,570	6,296,948	2,947,378
3	3,823,319	8,371,483	4,548,164
4	5,150,000	14,020,000	8,870,000
5	1,788,819	4,303,409	2,514,590
	16,583,008	38,642,984	22,059,976

Following the meeting of the taxpayers called in this city on May 11, the committee selected at that meeting held an informal session at Willits on the 16th in the office of H. B. Muir. At that meeting the various supervisorial districts were represented as follows: 1st.—L. E. Crawford, G. M. Miller, Ira Fallon; 2nd.—T. J. Weldon, J. C. Johnson; 3rd.—H. B. Muir, and J. S. Rohrbough, with D. T. Johnson W. A. S. Foster and Fred Rupe acting in an advisory capacity; 4th.—John Ross and H. S. Tregoning, with James Tood acting in advisory capacity. The fifth district was not represented ot this meeting. At the Willits meeting it was agreed that the valuations be set on the following basis: The best valley land, such as hops, prunes and pears in Ukiah valley, should range from $400 an arce down, according to the facts; Potter valley, Little Lake valley and Round valley, $100 and down; range lands from $10 down to $3 per acre, with some choice range at $12.50; standing timber to be placed at a minimum of 75c per thousand board feet and ranging up to $2 per thousand, according to its availability, this valuation being ascertained by the tripling of the present valuations on this class of property; stock cattle, $20 to $40 per head; dairy cows $60; hogs $8 per hundred pounds; horses as facts showed; merchandise at cost.

Pursuant to these recommendations the committeemen of the various districts proceeded to set their valuations and at the meeting last Saturday representatives of all the districts met to adjust what discrepancies might have crept in between the various districts.

H. B. Muir, of Willits, and T. J. Weldon, of Ukiah, who had been selected as temporary chairman and secretary respectively at the Willits meeting, were elected permanent officials and Mr. Muir appointed the following sub-committees to act together in comparing the valuations between the various districts:

One and Five.—Tom Bourns, L. E. Crawford, G. M. Miller and C. A. Lawson; two and four—T. J. Weldon, Paul M. Dimmick, J. C. Johnson, D. T. Johnson, H. S. Tregoning, and with W. H. Dixon acting in an advisory capacity; three and the others—H. B. Muir, James Eddie, Ira Fallon.

These committees reported back at 4:00 o'clock to the general committee and after a great deal of discussion the meeting adjourned until 7 o'clock. Upon reassembling the discussion continued, the final results of their deliberations being adopted as tabulated above.

In all the districts there is yet to be considered a great deal of unsecured personal property and other personal property which it was difficult to assess, and with this added the total roll will be boosted to well over $39,000,000.

The valuations were agreed upon unanimously by the entire committee and a motion was then made and carried that the figures be submitted to Assessor Van Dyke with a recommendation that the assessment be based on two-thirds of the values as set by the committee.

During the entire comparison and compilation deputy assessors were present and acted with the various sub-committees, as well as with the whole committee.

The committee then rendered a vote of thanks to the people generally for uniform courtesy and assistance rendered.

The tabulated lists, carrying the assessment and the recommended adjustment for each parcel of land in the county have been given the assessor and the supervisors.

The work was a stupendous one and the gentlemen who acted on the committee and who received nothing in the way of remuneration deserve the thanks of every citizen in the county. Their labors have done a great deal to clear up misunderstanding between the various districts and will make for harmony and unity.

SIXTEEN PASS TEACHERS' EX

The semi-annual teachers, examination, which was held last week, was completed on Saturday, and the board of education finished correcting the papers last Wednesday. Certificates to teach in the grammar schools of this state were issued to the following:

Madge Clark, Una Rafferty, Leslie Terry, Ukiah; Ila Scott, Thelma McCallum, Edna Reynolds, Clarence Nicks and Rachael Crispsin, Point Arena; Birdie Brown, Garberville; Dorothy Cureton, Madeline Main, Delva Witherell, Lena Witherell, Boonville; Lois Grove, M. Helen Young, Willits; Irene Mimango, Fort Bragg.

WOOL SHIPMENTS WILL COMMENCE IN JULY

Final steps are being taken toward the perfection of the wool pool, which was organized last spring under the direction of the Farm Bureau, and it is expected that shipments will be made early in the month of July. Although there is no market for wool at the present time, the growers here contemplate shipping their wool to the warehouses of the National Wool Growers Association in Chicago, where the wool will be stored until the market opens up again. Shipments will be made from Cloverdale, Hopland and Ukiah.

UKIAH DEFEATED BY MENDOCINO

The local baseball team was unable to deliver in the pinches last Sunday and was therefore defeated by Mendocino by a 5-2 score.

For five innings the coasters were unable to connect with Broaddus' delivery, while the locals made two runs off of the Mendocino pitcher in the first inning. Mendocino tied the score in the sixth inning, and neither team was able to make a run until the first half of the ninth, when Mendocino pushed three runs across the plate and won the game, the Ukiah batters failing to deliver in the last half of the inning.

Next Sunday's game will be played between Ukiah and Willits at Willits. The locals seem to have the Indian sign on the northerners and feel sure of a decisive victory Sunday, although their team has been materially weakened by the loss of Willard Broaddus and Donald Alexander.

Willits defeated Fort Bragg last Sunday, and Ukiah by losing to Mendocino is again in the cellar position. Mendocino is now heading the league with Fort Bragg in second place.

MENDOCINO COUNTY IN FRONT AT CONVENTIONS

Mendocino county came to the front this year in grand shape, as regards the national conventions of the two big parties. Sheriff Byrnes went to Chicago as an alternate to the Republican convention, and now W. P. Thomas, of Ukiah, has been picked as an alternate to Judge Seawell, of Santa Rosa, and will be on the floor of the Democratic convention in San Francisco next week.

Mendocino county has produced some of the west's most prominent politicians and it is not unusual for her to be represented among the important doings of the two big parties.

That Mr. Thomas will do the party and the county honor goes without saying.

S. P. Beattie Dies at Willits Saturday

WILLITS, June 21.—Spencer Percivle Beattie died here last Saturday morning after a short illness. He was one of the pioneer settlers of Mendocino county for his father brought his family to this county in 1854. They came here by ox team and were two weeks in coming from the bay region. They settled in Long valley and were the fourth family to locate there.

Mr. Beattie married Miss Alice Wood at Willits, May 4, 1879, who, with three children, survive him.

The funeral services were held at the home yesterday afternoon and were conducted by Chaplain G. H. Jones.

CANDIDATES IN JOINT DEBATE AT BOONVILLE

BOONVILLE, June 23.—The first joint discussion we have heard in Anderson valley for many years took place here last Tuesday night, when H. L. Preston and W. D. L. Held, candidates for the judgeship, met at the high school at Boonville. The occasion was the meeting of the Anderson valley farm center.

After the farm center meeting, Mr. Ike Burke, the chairman, called on Mr. Held as the first speaker. He discussed the tax question at length, and abused the county officials and the people of Ukiah in general, claiming that all were related and stood in together in a ring. He stated also that his grand jury of 1915 saved the taxpayers $40,000 in taxes. (In his printed cards he claims that he saved them $25,000 in taxes).

He also spoke of his record in the legislature and asked for support in his candidacy for superior judge.

After Mr. Held, came Mr. Preston. He proceeded to answer Mr. Held's arguments. As to the tax question he showed by the official records of the county that the disbursements for 1914 for roads and bridges from the county general fund were $89,809.37 and for 1915 were $65,103.48, but showed that in 1914 the county built more roads and bridges than they did in 1915, and that the disbursements from the county general fund for other purposes were $80,232.62 for 1914 and $80,302.69 for 1915, showing that the grand jury did not save the county one cent, but that on the contrary the general expense for 1915 was about $70 more than the year before.

The figures given by Preston were not denied by Held, and the argument was a telling one.

Mr. Preston took up the statements made by Mr. Held in a recent issue of the Republican Press, and proved by the records that he had never represented but one corporation in a contested case, and that Mr. Held had represented more corporations than he had. Mr. Preston also cited the numerous cases he had had against the corporations in both the superior, supreme and appellate courts, and in the superior courts of other counties. He showed to the satisfaction of all of us that the charges of Mr. Held that he had the ear of the court were false.

In connection with Mr. Held's charges that Mr. Preston was married four days after the draft laws passed Mr. Preston showed by the records that he had been married a year and three months before the draft law went into effect, as affecting men of his age.

In fact Mr. Preston answered clearly and forcibly every statement made by Mr. Held in his recent edition of the Press and many Anderson valley people who had heard only Mr. Held's side of the question before, feel now that they, as one was heard to put it after the meeting, "cannot vote for a man who would publish such false statements and make such false representations." Another said, "I thought I was for Mr. Held until I heard the other side and now I am for Mr. Preston."

A frequent utterance was that "Mr. Held is trying to fool the people in the belief that he can regulate taxes if he is elected judge."

Mr. Preston, in his address, made the offer to quit the race if Mr. Held could show any law that authorized the judge or grand jury to lower or raise or equalize the taxes. Mr. Preston also showed that Mr. Held had sold a valuable ranch in Redwood valley for over $50,000 while the ranch was assessed for only $5,700 and had been assessed for that amount for a number of years.

Mr. Preston was evidently too strong in debate for Mr. Held, for when he challenged Mr. Held for a joint debate in every precinct in the county, Mr. Held declined to meet him any more and stated he did not like to have any controversy. Mr. Held rose after Mr. Preston's argument was finished and in a weak voice stated that he would not meet in any joint discussions.

"COLUMBIA" IS TO LEAD PARADE ON JULY FIFTH

Committee Will Choose Young Ladies Who Are To Be On Floats.

A meeting of the executive committee in charge of the program for the Fourth of July celebration was held last Tuesday evening. At that time it was decided that Columbia will be featured this year instead of the Goddess of Liberty. The Goddess along with Justice, will be on the same float with Columbia this year.

Columbia float, as planned by the ladies in charge, will be decorated in red, white and blue.

There will also be a California float, which will be decorated in redwood bark and greenery.

The young ladies who will act as Columbia, Justice, etc., have not as yet been chosen.

When the first arrangements were made for the celebration, the committee asked the American Legion to conduct a contst to choose the young ladies to act as Columbia and the others, but the Legion was unable to handle the contest, and turned the matter over to the Chamber of Commerce. This organization deemed that it was too late to conduct the contest now, and asked that the executive committee choose the various ladies to take part in the parade.

Members of the committee announce that there have already been several automobiles and bicycles entered in the parade, and urge that all who contemplate entering decorated machines, hand in their names immediately.

The committee wishes to correct an announcement that appeared in contemporary, to the effect that the Santa Rosa band will give a concert Sunday evening following a union service held in the Baptist church. The union services will be held in the morning at 11:00 a. m.

JUDGMENT ENTERED AGAINST MRS. THOWSON

The case of Howard vs. Thowson came up for hearing before Judge Hurley last Monday morning, and judgment was ordered entered in favor of the plaintiff, ordering the defendant either to produce the cow which the Howards contend was illegally sold to the Thowsons, or to pay $50 which sum it is alleged the cow is worth. The suit arose when the Howards, who sold their ranch to Mrs. Florence Pingree, who was unable to make payments thereupon, returned to their ranch and found that Mrs. Pingree had sold certain livestock to various neighbors. The plaintiffs were also allowed $5 costs of suit. The judgment was entered against Mrs. Thowson, it appearing that her husband has no property in his name.

CAPTAIN STANDLEY AT NEWPORT, R. I.

The many local friends of Capt. Hal Standley, brother of Mrs. Louis Hildreth, Mrs. Bert Gibson and Mrs. J. A. Jamison, of Ukiah, will be interested to learn that the captain has been transferred from the battleship Virginia to the U. S. Naval college at Newport, Rhode Island. Owing to lack of personnel the Virginia has been placed out of commission.

Miss Elsie Buckle, of this city was married in Santa Rosa last Saturday to Floyd L. Fleckner, of Vallejo. The young lady, who was born and raised here, has a host of friends who will extend good wishes for the couple's future happiness and prosperity.

S AND C CLUB ENTERTAINED BY MRS. STEIERT

The S and C Club had a most enjoyable afternoon last Friday when they were entertained at a one o'clock luncheon by Mrs, Steiert at her home on the highway.

The home was decorated in rhododendrons from the coast. A delicious menu of sálad, chicken, ice cream and cake was served immediately upon the arrival of the guests. Four tables of whist were played, Mrs. Thomas Farrance winning the first prize, a pyrex baking dish, and Mrs. Chester Cox receiving the consolation, a crocheted basket filled with sweet peas. Three members of the club had not received a prize during the year, so the hostess presented each of them with a handpainted china plate. Selections from the Edison added to the pleasure of the occasion.

The guest list included Mesdames E. B. Gibson, B. L. Cleland, T. M. Cleland, Thos. Farrance, L. H. Foster, W. B. Hagans, Benson Edwards, M. H. Iversen, J. P. Smith, R. E. Donohoe, Chester Cox, Frank Wilson, L. P. Anker, Elmer Gibson, Edgar Smith and F. M. Ford.

The room was beautifully decorated with flowers. The wedding march was played by Miss Leila Beckley, as the bride and groom with their attendants, Mr. Lawrence Mustard and Miss Ruby Speer, took their places, after which Rev. M. O. Brink of St. John's Methodist church performed the ceremony.

A sumptous breakfast was served, pictures were taken, congratulations were given, and the happy couple took their departure by auto midst showers of rice, for San Francisco, to return after a few days to make their home in Ukiah.

PERFECT CONFIDENCE

Ukiah People Have Good Reason For Complete Reliance

Do you know how—
To find relief from backache;
To correct distressing urinary ills;
To assist weak kidneys?
Your neighbors know the way—
Have used Doan's Kidney Pills;
Have proved their worth in many tests.

Ask your neighbor.
Here's Ukiah testimony.

Mrs. B. M. Davidson, 320 E. Perkins St., says: "Last fall I had a great deal of trouble with my kidneys. They acted irregularly and I had severe backaches. I could hardly keep going and suffered from headaches and dizzy spells most of the time. I read of Doan's Kidney Pills and got some at Gibson's Drug Store and they fixed me up in good shape. The backaches left and my kidneys were strengthened. I have great confidence in Doan's Kidney Pills and always recommend them."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Davidson had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

PIONEER COAST MINISTER GOES TO FINAL REWARD

Rev. J. S. Ross, one of the coast's most prominent figures, passed away last Friday morning at Cleone, after nearly five years of lingering illness. He was a native of Tain, Rosshire, Scotland, where he was born March 31, 1834.

He leaves to mourn his passing, a widow and five children, the latter being Supervisor W. H. Ross, of Fort Bragg; J. S. Ross, superintendent of the Mendocino Lumber Co.; Mrs. Elizabeth Ross Miller, Robert Ross and Miss Ann Ross, of Cleone.

Mr. Ross first came to Mendocino county from Ontario, Canada, where he had been conducting a baptist church, and located at Caspar in 1870. Concerning his life works the Mendocino Beacon says:

There was no church at Caspar at that time and he preached in the various private houses, and also extended his work up and down the coast, preaching in private homes and in school houses from Mendocino to Beall's Landing, now known as Westport. There were no roads and no bridges above the Noyo river, and he was compelled to travel on horseback over the trails, which were often rough and dangerous, and to swim the rivers and creeks. He had many narrow escapes from accidents and even from death, but the love of the work and the cause which he represented were deep in his heart and he pressed onward without thought of fear or faltering. In those early days when there were few ministers and fewer churches, the denominational lines were loosely drawn, and for nearly a year, Rev. Ross, though himself a Baptist, preached for the Presbyterian church at Mendocino.

His career has been full of interest and many unique experiences have fallen to his lot. There is no possible way of even estimating the number of sick and dying he has visited, nor yet of the number of sermons that he has delivered in out-of-the-way places and under unusual circumtances, for he never missed an opportunity to do either.

HOPLAND NOTES

HOPLAND, June 23.—The Hopland grammar school closed last Friday, with parents, teachers, pastor and pupils lunching sumptuously at noon, and graduations, promotions and reports given out at the tables, and a good program in the afternoon.

Born: To the wife of Joseph Lang, a son, Charles, Friday, June 11.

A California gentleman who has to travel constantly, and who is quite observing, told us that not nearly so many people are at the resorts for any great length of time, as formerly, in that with autos they keep moving, making very brief stops at each place, but we called at Duncan Springs, Hopland, to see the crowd that has just arrived, and found all accomodations for July reserved in advance and the following had arrived and registered:

Paula Lesser, Mr. and Mrs. H. Lesser, Helen Louise Lesser, San Francisco; F. W. Leis, San Francisco; L. A. Kancel and wife, San Diego; Carey Howard, E. A. Howard, Sr., E. A. Howard, Jr., Oakland; H. WIDENING CURVES

The heavy trucking operations between Ukiah and the Orr's Springs section has necessitated the widening the some of the curves on the grade between the valley and the top of the mountain and this week is being carried on under the direction of Supervisor Ford. Blasting is the method used, and the road is being much improved by the operations of the road crew.

REGIONAL CONFERENCE OF W. C. T. U. LAST OF MONTH

The regional conference of the Women's Christian Temperance Union will be held in this city June 29 and 30 and July 1.

Various entertainment features are being provided for to relieve the routine of the conference work.

Many prominent state workers in the organization will be here, including the state president, Mrs. Sara J. Dorr.

CHAS. FRASIER HERE

Chas. E. Frasier and wife, who have been at Plymouth, California, for several months, where Mr. Frasier holds a responsible position with a lumbering company, arrived in Ukiah this week for a brief visit. Mr. Frasier suffered an accident a few weeks ago, which necessitated his going to a hospital for some time to allow a couple of broken ribs to mend. He is now well over the results of the accident, however, and expects to return to his job at once.

CHINESE GIRL WEDS

Lizzie Hee, the Chinese girl of Mendocino, who figured as the plaintiff in a sensational suit for damages for alleged betrayal of her affections, against C. G. Hing, a Chinese merchant of Fort Bragg, was married in San Francisco Wednesday of last week to Ng Quong, a Chinese restaurant keeper of Los Angeles.

The damage suit against Hing, which was filed in the local superior court, collapsed and was compromised several months ago.

ENJOYS VISIT FROM SON WHO WAS IN NAVY OVERSEAS

Mr. and Mrs. Dave Jameson, of this city, enjoyed a visit the latter part of last week, from their son, who was in the U. S. naval service overseas, and who is just back from service. He was stationed with the mine sweepers in the north seas and had a number of interesting experiences. While many local men served in the land forces, Mr. Jameson is the first, so far as we know, who was in active service on the seas.

Needless to say, his visit was much enjoyed by his parents.

DANCE AT HOPLAND SATURDAY EVENING

Miss Kathleen Buckman of Hopland, is making arrangements for a dansant to be given in that city tomorrow evening at Leek's hall. High class music has been procured for the occasion and a good time is assured. It is probable that a good-representation of the local younger set will avail themselves of the opportunity to dance, since there are no dances here that evening.

W. A. Martin came down from Willits on business Tuesday.

Democracy in the Ascendancy

The Democratic hosts are gathering in San Francisco preparatory for the big convention next week. The leaders are very sanguine of success and it is a happy throng. Three months ago the party seemed to be in the dumps, but it is different now. Since the big Chicago fiasco the Democrats have taken a new lease of life and it looks now as though victory is assured. Every delegation that has arrived is wildly enthusiastic. So sure are the Democrats of victory that prominent Democrats all over the country have resolved to come to the convention and use every effort to cause the nomination of a winning ticket. This has made it joyful indeed. It looks like the good old days to see Democracy full of enthusiasm.

* * * * * *

The party seems to be rich in presidential timber, having about a dozen big men whose names have been used in connection with the presidency. These men all seem bent on one thing first, and that is success. The people can only look to the San Francisco convention for relief. The Republicans have played false to the people and are looking backward while the Democrats are all forward looking men.

Cheap Feed, High Priced Butter

—OR—

Cheap Butter, High Priced Feed

WHICH?

Farmers are pondering over that question more now than ever. We have been discussing the problem with them in the cow barns and are very much surprised to learn that many of them are answering the question wrong.

First, let us assure you that there will be very high priced butter. Why? Because farmers have answered the question wrong and have sold their dairy cows, are trying to sell them now or are getting ready to sell them very soon. This condition seems to be true in greater or less degree all over California. Why? Because farmers do not know how to meet the feed bills and have a profit left. We have been visiting farms in company with a man who's business it is to call on farmers everywhere in relation to the dairy supplies. He assures us that cows are being sold off in large numbers and he predicts that butter fat will soon go to $1.00.

Second, cheap feed. Well, the farmers tell us it does not exist, and cannot be made to exist under present conditions. We visited a prosperous farmer who has a good barn, a milking machine and all similar equipment, a nice string of cows. He would not listen to our proposition because he said he had fully made up his mind to sell every cow and quit the dairy for good. He declared there was considerable profit more in selling his alfalfa right in the field than in feeding it to the cows under present conditions.

We have visited in Ukiah valley, Redwood, Potter, and over among the dairymen of Lake county and did not find a single man who was satisfied with the business. All declared that they must sell the cows as hay was now about $30 and would soon be much higher.

We came home in doubt and discouraged but not convinced. We have been figuring and arguing and now feel assured that things can be made better. These farmers have not figured right. Feed can be made cheaper and more productive. Next week we will continue this discussion and try to point out how.

The Ukiah Farmers' Club,
C. A. BERNHARD, Manager.
